

Greater Cincinnati Chapter Tuskegee Airmen, Inc Commemorates the 80th Anniversary of the Tuskegee Airmen

This year marks the 80th anniversary of the Tuskegee Airmen Experience. The Tuskegee Airmen were the first group of African-American men to be trained as pilots for the United States Army Air Corps (now the U.S. Air Force). During World War II, the Tuskegee Airmen flew numerous missions over Europe. However, some readers may not be aware of the origins of the Tuskegee Airmen and the events and individuals involved in the establishment of the Tuskegee Airmen Experience.

The Greater Cincinnati Chapter of Tuskegee Airmen Inc. invites you to help us sustain the Tuskegee Airmen legacy.
